

Waiver of Liability Agreement

I understand that there is a risk element in canoeing and that I have been informed as such by Wolf Den Expeditions. With this knowledge I still volunteer to take part in the trip and accept such risks as being part of the nature of the sport.

I hereby release and forever discharge Wolf Den Expeditions, its directors, officers, agents, servants, other participants and employees and its or their successors, heirs, and assigns (the "Releasees") should any injury or loss of limb or life happen to my person due to negligence whilst partaking in this trip. I also waive claim against the "Releasees" should any damage or loss occur against my personal property whilst partaking in this trip and any loss of any nature caused by delays resulting from inclement weather or other natural conditions during the trip or participation of the undersigned in the trip and notwithstanding that the same may have been contributed to or occasioned by the negligence of the "Releasees" or any of them.
